Lyashchenko, N. Ya.
THE QUESTION ON THE ASYMPTOTIC STABILITY
OF THE SOLUTIONS TO NONLINEAR SYSTEMS OF
DIFFERENTIAL EQUATIONS. [1961] [6]p. 6 refs.
Order from OTS or SLA \$1.10 61-18302

I. Lyashchenko, N. Ya.

Trans. of Akademiya Nauk SSSR, Doklady, 1955,
v. 104, no. 2, p. 177-179.

DESCRIPTORS: *Non-linear differential equations,
Integral equations, Numerical analysis.

Several theorems on the asymptotic stability of certain
solutions of nonlinear differential equations are pre-
sented. The main hypothesis is that the real parts of
the characteristic roots of the time dependent matrix
coefficient of the linear term be negative. Other
hypotheses relate to the size of the Lipschitz constant
for (basically) higher order terms. (Translator)
